TITLE INDEX TO VOLUME 68

This Index consists of the titles of the articles arranged in alphabetical order and followed by the names of the authors, in brackets, and the page numbers on which the articles begin.

| A | Abdominal Surgery in Elderly Patient: Review of One Hundred Six Selected Cases of Biliary-Tract, Stomach, and Bowel Lesions [Zeifer & Colp] | 315 |
|   | Abdominoperineal Resection with Sphincter Preservation for Carcinoma of Midrectum [Waugh & others] | 469 |
|   | Acid-Base Balance of Blood in Dogs at Reduced Body Temperature [Fleming] | 145 |
|   | Acute Obstruction of Small Intestine: Analysis of One Hundred Fifty-Four Cases [Drugas & Schiff] | 612 |
|   | Adenocarcinoma of Appendix [Knepper & others] | 519 |
|   | Adjustable Foot Rests [Kent] | 131 |
|   | Advanced Atrophic Cirrhosis: Present Status of Hepatic, Splenic, and Left Gastric Arterial Occlusion as Aid in Control of Its Complications [Berman & Fields] | 432 |
|   | Advances in Surgery of Newborn: Report of Seventy-One Cases, Years 1942 and 1952 [Snyder & others] | 546 |
|   | Anastomosis of Obstructed Common Bile Duct to Intestine II. Further Experimental Studies [Kleinert & Large] | 408 |
|   | Anatomy of Deep Venous System of Popliteal Fossa and Lower Leg [Kobak & Lev] | 350 |

| B | Body Temperature During Anesthesia [Clark & others] | 379 |

| C | Carcinoids of Appendix and Gastrointestinal Tract [O'Sullivan & Bowe] | 153 |
|   | Cardiac Arrest During Mitral Commissurotomy: Complete Recovery After Twenty-Four Minutes [Seiler & others] | 710 |
|   | Cerebral Effects of Experimental Hypothermia [Callaghan & others] | 208 |
Chloridorrhea: Syndrome Associated with Diarrhea and Potassium Deficiency [Ariel] .......................................................... 105
Choledocholithiasis with Congenital Absence of Gall Bladder [Polivy & Sachs] 720
Clinical Trials of New Plastic Dressing for Burns and Surgical Wounds [Choy] ................................................................. 33
Colostomy: Advantage of Establishing Immediate Mucotaneous Suture [Lem-mer & Mehnert] ......................................................... 463
Congenital Pyloric Stenosis at Boston City Hospital [English & others] ........ 271
Corticotropin (ACTH) in Hyperthyroidism [Schlicke & Berghan] ............... 800
Creation of Autogenous Vessel Grafts: Experimental Study [Chun & others] 574
Cystogastrostomy for Pancreatic Cyst: Report of Case [Lamphier & others].. 666

D
Defibrillation of Ventricles Under Hypothermic Conditions [Kirby & others] 663
Dog in Medical Research: Editorial [Beck] ...................................... 135
Ductal Changes in Chronic Pancreatitis [Berens & others] ....................... 723
Duplication of Two Parts of Alimentary Tract [Johnston & others].......... 390

E
Effect of Streptokinase-Streptodornase on Peritoneal Talc Adhesions and Granulomas: Experimental Study [Luttwak & others] ................. 69
Endarterectomy for Peripheral Arteriosclerosis [Bogardus & others] ........ 222
Evaluation of Neomycin-Phthalylsulfathiazole in Preparation of Large Bowel for Surgery [Bacon & others] ...................................... 344
Evaluation of Surgical Treatment for Disturbances of Thyroid Gland [Nord-land & Nordland] ..................................................... 794
Examination by American Board of Surgery: Report to Western Surgical Association, 1953 [Chaffin] ........................................... 403
Experimental Repair of Ureters by Polyethylene Tubing and Ureteral and Vessel Grafts [Hardin] ............................................ 57
Exstrophy of Urinary Bladder: Further Study of Treatment by Plastic Sur-gery [Sweetser] ............................................................ 525
IV
### Fatal Enteritis: Relation to Antibiotic Therapy
[Childs & Beatty] 486

### Gastrointestinal Bleeding Due to Splenic Vein Obstruction by Pancreatic Tumors
[Hurwitt & others] 7

### Hepatic Vein Pressure Studies for Evaluation of Intrahepatic Portal Hypertension
[Balfour & others] 442

### Idiopathic Hemorrhagic Infarction of Small Intestine
[Rabinovitch & others] 384

### Ileocolon Replacement of Stomach After Total Gastrectomy: Clinical Observations and Physiological Studies
[Hunnicutt & Kinsell] 511

### Intestinal Antisepsis with Oxytetracycline (Terramycin) and Neomycin: Comparative Study
[Anlyan & others] 28

### Intra-Articular Bone-Graft Resorption in Transarticular Bone-Graft Arthrodesis: Experimental Studies
[Gelbke] 633

### Intravenous Infusion of Coconut Water
[Eiseman] 167

### Large Bowel Obstruction Caused by Metastatic Carcinoma Originating in Larynx: Report of Case and Review of Literature
[Sawyer & others] 126

### Leiomyosarcoma of Inferior Vena Cava
[Cope & Hunt] 752

### Lymphosarcoma of Gastrointestinal Tract: Analysis of Five Cases
[Rogers] 886

### Malignant Lymphoma of Gastrointestinal Tract
[Sperling] 179

### Management of Electrical Burns
[McLaughlin & Coe] 531

### Management of Gangrenous Intussusception in Infants
[Bentley] 894

### Management of Three Stomal Complications Following Subtotal Gastrectomy
[Sawyer & Spencer] 500

### Massive Hemorrhage from Gastric Ulcer Eroding Gall Bladder and Anomalous Cystic Artery
[Mayo & Cromer] 120

### Mechanism of Efferent Stoma Dysfunction Following Subtotal Gastrectomy
[Prohaska & others] 491

### Metastatic Carcinoma of Rectum to Thyroid Gland: Correlation with Radioactive Iodine Studies
[Sklaroff] 117

New Method for Determination of Gall-Bladder Function [Stirrett & Yuhl] .......................... 417
Newer Concepts Concerning Common Bile Duct [Sterling & Goldsmith] ............. 705
Nonperforative Trauma to Abdomen [Cottrell] ........................................... 241

Operating-Room Cholangiography: Errors in Technique and Interpretation [Douglass & others] ........................................... 422

Pancreatic Cysts [Lawton & Mossey] .......................................................... 734
Pathology of Appendix [Vicari] ................................................................. 329
Penetrating Peptic Ulcer with Massive Hemorrhage as Indication for Emergency Gastrectomy: Method of Clinical Diagnosis [Caswell & others] .... 282
Peptic Esophagitis [Carver & Sealy] ........................................................... 286
Peptic Ulcer Perforations: Statistical Study of Cases in Albany Hospital 1935 to 1951 Inclusive [Donhauser] ........................................... 605
Pheochromocytoma: Clinical Aspects and Surgical Results [Kvale & others] 769
Physiologic and Surgical Considerations in Treatment of Complicated Lesions of Biliary Tract [Walters] ........................................ 12
Pneumatosis Cystoides Intestinalis: Report of Case [Olson] ......................... 899
Polyvinyl Intestinal Tube for Newborn [Sugarman & Swenson] ..................... 237
Polyvinyl and Silicone Compounds as Subcutaneous Prostheses: Laboratory and Clinical Investigation [Brown & others] ................................. 744
Present Concepts in Treatment of Empyema in Children [Hertzler & others] 838
Present Status of Carcinoma of Pancreas [Hutchinson] ............................... 62
Protein Nutrition in Surgical Patients: Time Factor in Protein-Sparing Action of Dextrose in Parenteral Feeding [McNair & others] ............... 76

Reduction of Pulmonary Reserve
I. Technique for Reducing Pulmonary Capacity to Fifteen per Cent, with Measurement of Right Heart Pressures and Arterial Blood Oxygen Saturation in Dogs at Rest and During Exercise [Flores & others] ........ 627
