
Correction

Error in Table. In the Original Article by Camprodon et al titled “Transgastric Surgery for Posterior Juxtacardia Ulcers: A Minimal and Safe Approach,” published in the July issue of the ARCHIVES (2003;138:757-761), an error occurred in Table 2 on page 760. In that table, the follow-up for patient 3 should have read as follows: “Died of myocardial infarction 30 mo after surgery.” The journal regrets the error.
